## **I Will Love You For the Rest of My Life: Breakup Stories** Michael Czyzniejewski

In *I Will Love You For the Rest of My Life: Breakup Stories*, Michael Czyzniejewski examines twenty-nine cases of human love at their most critical junctures, bearing witness to the absurdity of longing. An astronaut's husband cheats while his wife is in space; a scallop opens a portal to another dimension; a man exploits his peanut allergy for kinky sex; a blind date turns into a bestial kidnapping. Self-doubt, unshakable distrust, unrequited longing, and the prospect of eternal loneliness haunt these romantics. The heart wants what it wants, but it doesn't always last forever.
