Primary Care Medicine: Office Evaluation and Management of the Adult Patient (Primary Care Medicine (Goroll))

Primary Care Medicine: Office Evaluation and Management of the Adult Patient (Primary Care Medicine (Goroll))

This revised reprint of **Primary Care Medicine, Fifth Edition** gives you a complete print and online package: the book plus access to a Website offering the fully searchable text, monthly text updates, and patient and physician advisories.

In 239 problem-oriented chapters, this Fifth Edition provides essential information on medical diagnosis, lab tests, treatment options, and health maintenance and offers authoritative guidance on decision-making in primary care medicine. Every chapter was revised to include more images, tables, and bulleted lists. Practical recommendations that incorporate the best available evidence, expert consensus guidelines, and clinical judgement are listed in bulleted items at the end of every chapter.
