While vacationing in Paris, Shari Cohen's children are kidnapped by Jadran Božanovi?, a Croatian kingpin who runs a human-trafficking cartel who is as deadly as the knife he wields. Few dare to challenge him. And even fewer dare to defy him. With time running out and her resources running thin, Shari calls upon the aid of Kimball Hayden and his team Vatican Knights—an elite group of commandos dedicated to protect the sovereignty, interests and citizenry of the Church—and are once again reunited. But Kimball finds that his team is quickly outmanned and outgunned, the death toll climbing against forces that are the deadliest the Knights have ever faced. With his back against the wall, Kimball is forced to choose Justice over Law by taking on Jadran Božanovi? in a contest that only one man can survive. But Kimball soon learns that the Croatian is as ruthless as his legend and just as powerful, if not more so, than the Vatican Knight himself.

"Ferociously paced and executed, Bridge of Bones is an all-out automatic weapons burst of an action-thriller following a secretive Vatican military arm as they help those who can't help themselves. A sinister human trafficking operation must be stopped--but where the letter of the law is not enough, will a higher justice prevail?"

— Rick Chesler, author of *Wired Kingdom* and *Solar Island*

“From a heart-wrenching abduction on the streets of Paris to a blistering gun battle on a yacht, Jones takes the reader on a fast paced ride of action and adventure while delving deeply into both the soul of a warrior and a mother's grief. *THE BRIDGE OF BONES* is a grueling look at human trafficking and possibly the best Vatican Knights thriller yet.”

— Kane Gilmour, bestselling author of *RAGNAROK* and *RESURRECT*
