The Nerd

Larry Shue

The Nerd Larry Shue

For a cast of 5 men and 2 women. Now an aspiring young architect in Terre Haute, Indiana, Willum Cubbert has often told his friends about the debt he owes to Rick Steadman, a fellow ex-GI whom he has never met but who saved his life after he was seriously wounded in Vietnam. He has written to Rick to say that, as long as he is alive, "you will have somebody on Earth who will do anything for you"-so Willum is delighted when Rick shows up unexpectedly at his apartment on the night of his thirty-fourth birthday party. But his delight soon fades as it becomes apparent that Rick is a hopeless "nerd"-a bumbling oaf with no social sense, little intelligence and less tact. And Rick stays on and on, his continued presence among Willum and his friends leading to one uproarious incident after another, until the normally placid Willum finds himself contemplating violence-a dire development which, happily, is staved off by the surprising "twist" ending of the play.

From reader reviews:

Jean McFerren:

Do you among people who can't read pleasurable if the sentence chained in the straightway, hold on guys this particular aren't like that. This The Nerd book is readable by means of you who hate those straight word style. You will find the information here are arrange for enjoyable studying experience without leaving actually decrease the knowledge that want to provide to you. The writer of The Nerd content conveys the thought easily to understand by many people. The printed and e-book are not different in the written content but it just different by means of it. So , do you continue to thinking The Nerd is not loveable to be your top record reading book?

Paula Cofield:

Nowadays reading books are more than want or need but also become a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with schooling books but if you want feel happy read one together with theme for entertaining such as comic or novel. Typically the The Nerd is kind of e-book which is giving the reader erratic experience.

Vickie Kay:

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even a concern. What people must be consider any time those information which is in the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take The Nerd as the daily resource information.

Duane Zook:

In this period of time globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you is The Nerd this e-book consist a lot of the information with the condition of this world now. This specific book was represented how does the world has grown up. The language styles that writer use for explain it is easy to understand. Typically the writer made some research when he makes this book. Here is why this book ideal all of you.
