## **Alice 3 in Action with Java™** Joel Adams

CS1 students discover the energy and excitement of programming right away with the innovative approach found in ALICE IN ACTION WITH JAVA™, 2E by Joel Adams. This meaningful, motivating introduction to object-oriented programming uses a spiral pedagogy to introduce key object-oriented topics using Alice 3.0 before circling back to review the same concepts in Java™. Even first-time users gain a positive, results-oriented programming experience as they learn basic concepts using Alice. This popular tool teaches programming techniques in a visually rich environment that's less syntax-intensive to eliminate many of the barriers to programming success. The text then seamlessly applies the skills learned to programming successfully in Java™. Engaging movie metaphors, 3D animations and memorable examples throughout this edition keep readers actively involved. With ALICE IN ACTION WITH JAVA™, 2E learners enjoy a positive first programming experience while gaining a solid foundation for building their skills in Java™ as well as other programming languages.
