The Biblical Headcovering: Scarf of hidden power Renee Ellison

A Biblical, historical and practical examination of a neglected and blessed aspect of Christian practice: Christian women wearing a head covering. Written from the woman's perspective, for women. With Biblical references from the New King James Version of the Scriptures.

A Christian woman who read this stated, "The woman who has read this and is under the conviction to cover will find all the answers she is looking for and for any loop holes she may have thought she had to get out of covering tightly shut and plugged up."
