Faith - The Real Thing: A Practical Commentary on Hebrews 11 Nick Park

The original edition of this book, now completely revised, was published in 1999. Hebrews Chapter 11 is more than an abstract treatise on faith. It is a vivid exhortation for us to live in the kind of faith that secures us against backsliding - the faith that keeps you going to the very end. Other things might look like faith, might sound like faith, might even smell like faith, but we want to make sure that what we have is 'the Real Thing.'
