The Collected Stories (Volume II) Arthur C. Clarke

Arthur C Clarke is without question the world's best-known and most celebrated science-fiction writer. His career, spanning more than 60 years, is one of unequalled success. Clarke has always been celebrated for his clear prophetic vision, which is fully on display in this audiobook, but there are also many stories which show his imagination in full flight, to the distant future and to far-flung star systems. The second volume in a collection of five.
