## Understanding Families: Supportive Approaches to Diversity, Disability, and Risk, Second Edition

Marci Hanson Ph.D., Eleanor Lynch Ph.D.

Today's American families are more complex and diverse than ever before—and today's child and family professionals must be fully prepared to meet their needs. Interventionists educators, health care professionals, therapists, and social workers will get the strong foundation they need with the NEW edition of this trusted textbook, a comprehensive guide to working effectively and respectfully with contemporary families.

Highly respected experts Marci Hanson and Eleanor Lynch have expanded and updated their bestselling text, weaving in cutting-edge research on social, demographic, and economic changes and connecting the research to best practices in family-centered care. With a strong emphasis on family resilience, this book gets preservice and in-service professionals ready to

- work with a broad range of families with **diverse structures, backgrounds, and circumstances**
- **communicate** and **collaborate** effectively with every family they serve
- support families of **children with disabilities**
- advance strong **parent–child attachment and interactions**
- match services and supports with each family's **desired goals and outcomes**
- address **risk factors** such as poverty, addiction, and violence
- promote the **mental health** of young children *and* their parents
- apply **human development theories** in their work with children
- defuse common sources of **tension** between families and professionals

With this cornerstone textbook, the new generation of child and family professionals will have the research and practical guidance they need to improve the lives and outcomes of 21st-century families.
