Cities of Tomorrow: An Intellectual History of Urban Planning and Design in the Twentieth Century
Peter Hall
Cities of Tomorrow is a critical history of planning in theory and practice in the twentieth century, as well as of the social and economic problems and opportunities that gave rise to it. * A critical history of planning in theory and practice in the twentieth century, as well as of the social and economic problems and opportunities that gave rise to it. * Trenchant, perceptive, global in coverage, this book is an unrivalled account of its crucial subject. * Comprehensively revised to take account of abundant new literature published since its original appearance, and to view the 1990s in historical perspective. * Reviews the development of the modern planning movement over the entire span of the twentieth century.
