DEWALT Building Code Reference 2e: Based on the IRC (Dewalt Trade Reference Series) Daniel Sandefur

The ultimate code reference for construction is back; this time it's more current than ever, using the 2009 International Residential Code® as the foundation for learning common code requirements, violations, and installation concerns. Retaining the simple, easy-to-understand approach that made the previous edition wildly successful, the revised DEWALT Building Code Reference will provide users with over 80 pages of photo-quality illustrations and clear, concise, text. Coverage ranges from wall, floor, and roof framing to foundations and footings, containing all the information you need to be successful in the industry in a compact, easy-to-use reference guide. Packaged in a conveniently-sized, durable format, it will withstand even the harshest jobsite conditions.
