Debbie's many previous bestselling books have established her as the most stylish but accessible designer of children's knits working today. In this book, she returns to her core territory, with a fabulous new collection of new ideas for 0-3 year olds, the key time when knitters pick up their needles and get to work. There are designs for baby blankets, first sweaters and cardigans, bootees and more unusual items, as well as lots of ideas for ultra-wearable, ultra-stylish kit for toddlers. To help even inexperienced knitters create these designs, each pattern includes extra info on the key stitches and techniques required, watchpoints and an estimated degree of difficulty and time required to knit it. All in all, an absolutely must-have collection from the star designer in knitwear today.
