Adolph Spaeth

Excerpt from Charles Porterfield Krauth, D.D., LL. D , Vol. 1 of 2: Norton Professor of Systematic Theology and Church Polity in the Lutheran Theological Seminary in Philadelphia; Professor of Intellectual and Moral Philosophy, and Vice-Provost of the University of Pennsylvania

Soon after the death of Dr. Charles Porterfield Krauth his life-long and intimate friend, the late Dr. Beale M. Schmucker, suggested to the writer, and strongly encouraged him, to undertake the preparation of a biography. It was due to the memory of the man himself, and due to the Lutheran Church in America -whose most brilliant, and at the same time, most generally beloved son he may be called - that such a biography should appear.

The work was at once undertaken. It was a labor of love and a source of unspeakable delight and blessing to the writer himself. For more than ten years this volume has been ready for the printer. Its appearance has been delayed by various reasons which need not be specified.

The writer had access to Dr. Krauth's vast correspondence and all the family papers that have been preserved. A number of Dr. Krauth's nearest friends cheerfully and generously assisted him by furnishing their correspondence and much valuable information. Among them special acknowledgments are due to Dr. Beale M. Schmucker, not only for his own but also for a considerable part of his father's correspondence and private papers; to John M. Krauth of Gettysburg, chiefly for the papers of Dr. Charles Philip Krauth; to Drs. F. A. Muhlenberg, Charles A. Hay, John G. Morris, J. A. Seiss, H. E. Jacobs; and Messrs. Thomas H. Lane and John K. Shryock.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
