Inquisición y Judaizantes en América Española (Siglos XVI - XVII) (Spanish Edition)

Ricardo Escobar Quevedo

Inquisición y Judaizantes en América Española (Siglos XVI - XVII) (Spanish Edition) Ricardo Escobar Quevedo

A pesar de las numerosas leyes que restringían la emigración hacia el nuevo mundo, la presencia de criptojudíos (o marranos, como se les llamaba despectivamente) en las colonias españolas es perceptible desde el comienzo de la conquista y aumenta considerablemente luego de la unificación de los reinos ibéricos en 1580. Gracias al estudio exhaustivo de la documentación inquisitorial peninsular y americana, el autor logra reconstituir el fresco trágico de los grupos criptojudíos de origen portugués que, pasando por Sevilla, llegaron hasta los confines del nuevo mundo. Más allá del estudio detallado del fenómeno estrictamente religioso, su investigación permite apreciar la vitalidad de las redes comerciales marranas y judías de origen ibérico que, desplegados a una escala planetaria, participaron activamente en el apogeo del mercantilismo.
