## **Rising from the Ashes (Picking up the Pieces Book 2) Jessica Prince**

People make mistakes when they're young, but how they choose to come back from those mistakes is what matters in the end.

Savannah Morgan found true love at a very early age, but one rash decision — one that she would regret for the rest of her life — was all it took to end her relationship with the love of her life.

For seven years, Jeremy Matthews has accepted being "just friends" with the only woman he's ever loved. Finally deciding that enough is enough, Jeremy relentlessly pursues Savannah until he forces her to see just how right they are for each other.

When Savannah's past mistake is revealed, threatening the future she so desperately wants, the fate of their relationship lies in Jeremy's hands. Will he be able to forgive Savannah, or is the relationship truly over?

When struggles and obstacles threaten the foundation of Savannah and Jeremy's relationship, will they choose to let each other go, or rise from the ashes of the past to claim their happiness?
