Sudden Storms Marcia Lynn McClure

Rivers Brighton was a wanderer-having nothing and belonging to no one. Still, by chance, Rivers found herself harboring for a time beneath the roof of the kind-hearted Jolee Gray and her remarkably attractive yet ever-grumbling brother, Paxton. Jolee had taken Rivers in, and Rivers had stayed. Helplessly drawn to Paxton's alluring presence and unable to escape his astonishing hold over her, however, Rivers knew she was in danger of enduring great heartbreak and pain. Paxton appeared to find Rivers no more interesting than a brief cloudburst. Yet the man's spirit seemed to tether some great and devastating storm-a powerful tempest bridled within, waiting for the moment when it could rage full and free, perhaps destroying everything and everyone in its wake-particularly Rivers. Could Rivers capture Paxton's attention long enough to make his heart her own? Or would the storm brewing within him destroy her hopes and dreams of belonging to the only man she had ever loved?
