The 21st Century Executive: Innovative Practices for Building Leadership at the Top

The 21st Century Executive: Innovative Practices for Building Leadership at the Top

An essential resource for building and maintaining an effective leadership team, this book gives HR professionals and I/O practitioners a greater understanding of executive dynamics, development tools, and proven techniques for managing executives. Written by top-notch practitioners, this volume explores executive performance and documents unique to executive-level human resource applications. It shows how effective executive performance is qualitatively different from that of middle level managers. It also outlines today's state-of-the-art corporate human resource practices, along with lessons learned, and provides guidelines and principles related to effective executive practices.
