**The Writing Diet: Write Yourself Right-Size** Julia Cameron

**Julia Cameron, author of *The Artist's Way*, offers a revolutionary diet plan: Use writing to take off the pounds!**

Over the course of the past twenty-five years, Julia Cameron has taught thousands of artists and aspiring artists how to unblock wellsprings of creativity. And time and again she has noticed an interesting thing: Often when her students uncover their creative selves they also undergo a surprising physical transformation— invigorated by their work, they slim down. In *The Writing Diet*, Cameron illuminates the relationship between creativity and eating to reveal a crucial equation: Creativity can block overeating.

This inspiring weight-loss program directs readers to count words instead of calories, to substitute their writing's "food for thought" for actual food. *The Writing Diet* presents a brilliant plan for using one of the soul's deepest and most abiding appetites—the desire to be creative—to lose weight and keep it off forever.
