**Things That Were, Things That Are, and Things That May Become: Technology Books for Kids (Children's How Things Work Books) Baby Professor**

The concept of past, present and future is brilliantly detailed out in this wonderful picture book. Using pictures instead of complex sentences, it breaks down learning to bits that are more easily "digested" by young minds. This attack on education is so rich in memories that retention is a likely possibility. Order your copy of this picture book today!
