Description : 101 Dog Tricks: Step-by-step Activities to Engage, Challenge, and Bond with Your Dog "101 Dog Tricks" is the largest trick book on the market and the only book with a full-colour photo of every trick presented, and colour photos of each step in the process. This is not a study guide or a training philosophy book; the step-by-step approach, tips, trouble-shooting boxes and difficulty ratings allow readers to start trick training in five minutes. Some training books require special tools (such as clicker training) or an understanding of dog psychology, but "101 Dog Tricks" simply spells out the actions to take. Trick training is a must for all dog owners who consider their dogs part of the family. Brain Games For Dogs: Fun ways to build a strong bond with your dog and provide it with vital mental stimulation: Most dog owners would readily agree that it s important to keep pets physically fit and well-exercised for them to enjoy a good quality of life. But how many also think about what s going on inside their dogs heads? Bored dogs are notoriously prone to behavioral problems, such as exercise, barking, destructiveness and separation anxiety. As this fascinating book reveals, dogs also need mental stimulation to exercise their brains, boost their self confidence and strengthen the bond that they enjoy with their human families. Brain Games For Dogs is brilliantly conceived compendium of fun games, tricks and activities that you can enjoy with your dog that will help to stretch and challenge it mentally and allow it to enjoy a top quality workout for the mind. Illustrated throughout with newly commissioned colour studio photography Brain Games For Dogs emphasizes the pleasure of working.
