A truly unique introductory textbook, *Public Speaking and Democratic Participation: Speech, Deliberation, and Analysis in the Civic Realm* provides a comprehensive introduction to the basic skills involved in public speaking--including reasoning, organization, outlining, anxiety management, style, delivery, and more--through the lens of democratic participation. It helps students develop the skills to distinguish between productive and unproductive public discourse; participate in and lead constructive discussions of community issues; and analyze public messages as an act of civic participation.

By integrating the theme of civic engagement throughout, *Public Speaking and Democratic Participation* offers a direct and inspiring response to the alarming decline in civic participation in the U.S. and the climate of vindictiveness in our current political culture. It equips students with the tools to reverse these tendencies and move toward a greater commitment to our shared public life.
