What Dreams May Come David Hadley

Dreams are dangerous things.

After a mental collapse forces him to sell his software company, entrepreneur Stephen Parker retreats to the quiet coastal village of Stoneyhaven, hoping to rebuild his life.

Soon Parker discovers how dangerous dreams can be, as the world of his nightmares threatens to break out into his waking life and destroy the new happiness he finds in Stoneyhaven.

To save the lives of those he loves, and perhaps even the world itself, Parker must enter the Dreamlands to rescue the ghostly woman haunting his dreams and solve the mystery of the Manor House before it is too late.
