Joseph Alexander Altsheler

This volume offers 6 novels, the complete series of historical novels about the French and Indian War in Canada, by american author Joseph Alexander Altsheler, true classics of its genre.

The volumes are:

The Hunters of the Hills;  
The Shadow of the North;  
The Rulers of the Lakes;  
The Masters of the Peaks;  
The Lords of the Wild;  
The Sun of Quebec

The series deals with the great struggle of France and England and their colonies for dominion in North America, culminating with the fall of Quebec. It is also concerned to a large extent with the Iroquois, the mighty league known in their own language as the Hodenosaunee, for the favor of which both French and English were high bidders. In his treatment of the theme the author has consulted many authorities, and he is not conscious of any historical error.
