♥?This is a stand-alone romance!♥?

All my friends are Ivy-league-bound with four-year plans and guys they legitimately love. Me? Not even close.

While everyone I know has their life mapped out, I'm left behind. Floundering with a boyfriend I only sorta like.

The only person who seems to notice is Avery... unfortunately, he's a Player with a capital P.

Oh, he's also my boyfriend's best friend. I've fallen for the wrong guy before...and don't want to get hurt again. He's just so hard to resist when our gravitational pull feels so right.

I'm getting sucked into a black hole, and I don't know if love is what I'll find on the other side.
