**Warning:** This is an independent addition to *Luckiest Girl Alive*, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay.

This novel focuses on the main character, Stephanie Adams. Stephanie is a housewife and mother, in a marriage that has been dead for years. One fateful day however — while on their annual ski trip with four of their closest friends — Stephanie’s husband has an unexpected heart attack and dies. This leaves Stephanie troubled, hurt, and above all confused. She no longer has the title of “devoted wife” to hide behind, and now has to discover who she is on her own.

This turns out to be an extensive and excruciatingly painful process for Stephanie. She tries to return to her normal life but finds this impossible. In an attempt to heal, she goes on a trip with her four friends to Santa Barbra. There, she has a good time but recognizes she needs to learn to be independent if she is ever going to find peace and happiness.

On her way home from the trip, Stephanie takes a wrong turn. She is on the road to Las Vegas and on a whim decides not to correct the mistake. Feeling independent and adventurous, Stephanie proceeds to spend multiple days in the city before deciding to visit the Grand Canyon on her own. It is here she meets famous country singer, Chase Taylor, although she doesn’t know who he is at the time. Chase invites her to his show back in Las Vegas the following night and, on a whim, she decides to go. Little does she know, she has just begun the adventure of a lifetime.

## SPECIAL OFFER

\$2.99 (Regularly priced: \$3.99)
