**Lose yourself in a world where the lines between science and magic blur.**

Magic. The word is as foreign to Mieshka Renaud as space travel—and she's much too preoccupied to think about it. As a new refugee, she finds life in metropolitan Lyarne hard to take. The capitol's mage-powered shield might keep the city safe from the war, but Mieshka still flinches at loud noises, freezes during air raids, and runs at the sight of guns.

But magic isn't as foreign to her as she thinks, Lyarne has more secrets than she ever dreamed, and, one by one, the city's mages are disappearing.

Time is running out. With the war threatening the shield, are Mieshka's powers enough to save the city, or is it too little, too late?

*Into the Fire* delivers a compelling story with unforgettable characters, gritty scenes, and an action-packed conclusion. If you like your fantasy with a dose of adrenaline, try *Into the Fire* for free now.
