## **Science to Go: Fact and Fiction Learning Packs** Judy Sauerteig

Even small children can understand and build enthusiasm for science concepts if they are given proper motivation. The dynamic and compelling fiction and nonfiction trade books featured here are sure to snag the curiosity of young learners and have them reaching for more. By pairing a fiction and nonfiction book on the same theme and packaging them with copies of the provided questions and activities, teachers and librarians can send students off with take-home science learning packets perfect for independent learning and family fun. Organized into 60 topics to coordinate with the Core Knowledge Curriculum, the guide's themes are integral to any elementary program.
