## **The Lost Continent of Mu** Col. James Churchward

Mu was an immense continent covering nearly one-half of the Pacific Ocean. When she sank during volcanic destruction, fifty million square miles of water claimed her place. This vast continent and culture was the center of civilization some 25,000 years ago. This is the story of Churchward's search for the lost continent, from the vaults of an Indian temple to the four corners of the world.
