CAPTOR (The Alpha Brotherhood) (Standalone Dark Billionaire New Adult Romance) Ember Chase
I know I should hate the man holding me captive. It would be a lot easier if he was nothing but the monster he appears to be, but there are so many other parts of him that intrigue me. A tender touch that comes out of nowhere, accompanied by a sudden vulnerability in his pale blue eyes. That fascinating mind so much like my own. The softer side that he keeps hidden from the rest of the world. Maybe even a good heart beating behind that solid chest I can't stop picturing every time I see him in one of his well-tailored suits. The longer he has me in his grasp, the more I need to know.

Just because he saved my life doesn't mean he owns me. He can't keep me locked in here forever. He's not allowed to touch me any way he wants. It doesn't matter how much money he has, this is still illegal. Even when I kind of like it. I guess Shane plays by a different set of rules.

Maybe he's right, maybe I truly do belong to him. But that doesn't mean I'll ever stop trying to escape.
