Get your pencils out and keep a pencil sharpener close by! *The Everything Kids' Mazes Book* is the most a-MAZEing collection of mazes you'll ever find.

Once you start figuring out these incredible mazes, you won't be able to stop until you've finished them all. Can you unravel the mystery of the ancient tomb? Escape from a creepy monster lair? Or, maybe you're so good that you're ready to tackle these thrilling adventures:

- Wind your way through an iceberg in the chilly Antarctic.
- Pull a thread from one corner to the other of an Inca key textile design
- Find the wind current that will take your hot air balloon around the clouds and into clear sky

Almost anything could be a maze--the cluttered path from the door of your room to your bed, a tangle of your kid brother's shoelaces, even the braces on your sister's teeth! Once you get into this book you will see mazes everywhere!
