**[(Tales from the Future)] [By (author) Vladimir Megre ] published on (March, 2015)** Vladimir Megre  
The "Tales from the Future" collection consists of several true stories, which are yet to come to pass, each representing a specific projection of the world's future. The tales were taken from chapters in the "Ringling Cedars of Russia" book series by Vladimir Megre. The collection's chapters speak to us of the power of man's dreams, of love, of the perfection of man, and of the wonderful future which is possible for everyone. These are not ordinary stories: the amazingly striking images that the storyteller has embedded in this given picture of a future life contain an all-mighty healing power that inspires the reader to dream, to change himself, and to transform the world around him. What lies at the foundation of the stories is the idea of "family homesteads," which is capable of returning man to the promised land around him, of reanimating creativity and dreams, and of giving new meaning to one's everyday life. The collection includes tales from the following chapters: Vladimir Megre, the book "Co-creation" chapter "School, or Lesson of the Gods" Vladimir Megre, the book "Who Are We?" chapters "May There Be Good on Earth," "The Disarmament Race" Vladimir Megre, the book "Who Are We?" chapter "Horsewoman from the Future" Vladimir Megre, the book "Who Are We?" chapter "City on the Neva" Vladimir Megre, the book "The Energy of Life" chapter "Give Children a Homeland" Vladimir Megre, the book "The New Civilization" chapter "I Will Give Birth to You, My Angel" Vladimir Megre, the book "The New Civilization" chapter "A Love That Creates Worlds" Vladimir Megre, the book "The New Civilization" chapter "The Billionaire" Vladimir Megre, the book "The New Civilization II - Rites of Love" chapter "A Meeting Millennia Later"
