Various

Will Eisner's The Spirit: The New Adventures HC (Second Edition) Various

In 1997, almost six decades after the Spirit's first appearance in 1940, legendary artist and writer Will Eisner gave permission for a new series of stories to be commissioned featuring his signature creation, written and drawn by the most famous names in the comics industry. The call went out, and the response was nothing short of remarkable, with contributions from such creators as Alan Moore and Dave Gibbons (in one of their rare collaborations after *Watchmen*), Neil Gaiman (*The Sandman*), Paul Chadwick (*Concrete*), and Eddie Campbell (*From Hell*), among others.

In these pages you'll find new tales of Central City's protector facing off against familiar villains, such as the Octopus and Sand Saref; witness his undying love for Ellen Dolan, daughter of Commissioner Dolan, the only man who knows his secret identity; and glimpse what might be the Spirit's fate in an uncertain future.
