This widely popular resource balances the theory-based “why” and the practical “how” of using technology to support and shape the future of technology in education. In it, readers see how technology integration strategies link to specific learning theories and how teachers can plan for technology integration, complete with opportunities to practice integrating technology by designing curriculum to meet teaching and learning needs. *Integrating Educational Technology into Teaching*’s comprehensive technology integration framework—The Technology Integration Planning Model (TIP Model)—is built on a balance of research and proven classroom practices and shows teachers how to create an environment in which technology can effectively enhance learning. Carefully-selected examples and exercises in each chapter encourage teachers to reflect on their practice as they develop the insights, knowledge, and skills they need to integrate technology into content area curricula. Featured are hundreds of lesson examples and recommended resources. The Enhanced Pearson eText features embedded video, Interactive Technology Learning Checklists and exercises, author-recorded Big Ideas overviews, and additional classroom-ready example assessments.

Improve mastery and retention with the Enhanced Pearson eText*

The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:
