It Doesn't Suck: Showgirls (Pop Classics) Adam Nayman

Enough time has passed since *Showgirls* flopped spectacularly that it's time for a good, hard look back at the sequined spectacle. A salvage operation on a very public, very expensive train wreck, *It Doesn't Suck* argues that *Showgirls* is much smarter and deeper than it is given credit for. In an accessible and entertaining voice, the book encourages a shift in critical perspective on Paul Verhoeven's *Showgirls*, analyzing the film, its reception, and rehabilitation. This in-depth study of a much-reviled movie is a must read for lovers and haters of the 1995 Razzie winner for Worst Picture.
