Multiple Sclerosis Dr. T. Jock Murray MS, Carol Saunders BA BSN MSCN, Dr. Nancy Holland RN EdD
"This book has been written for those newly diagnosed with multiple sclerosis. It is a guide to learning about the disease, its potential impact on your life, and the medical treatments now available for managing it successfully. This is a time of great excitement in research and advances in clinical management, such that most people who have multiple sclerosis can lead full and productive lives.

This fourth edition is current and updated throughout, and includes a review of the controversy surrounding CCVSI and multiple sclerosis, discussion of the new pill Golenya and other drugs in development for multiple sclerosis, new information on the drug Tysabri, and discussion of treatments and complementary and alternative medicine in MS. This the place to begin your education about MS."
