The Works of Thomas Goodwin, Volume 9

Thomas Goodwin

The Works of Thomas Goodwin, Volume 9 Thomas Goodwin

Thomas Goodwin was a prolific author and editor. During the 1630s he coedited with John Ball the works of John Preston and Richard Sibbes. He began to publish his own sermons in 1636. Prior to his death, he had published at least twelve devotional works, most of which were collections of sermons. The fact that they were reissued forty-seven times indicates the high demand and wide circulation of his publications. Most of Goodwin's major theological writings were the fruit of his riper years and were published posthumously. His unusually large corpus of treatises display a pastoral and scholarly zeal rivaled by few Puritans. Goodwin represents the best of Puritanism in addressing the intellect, will, and heart. His writings reveal the vigor of earlier Puritans such as William Perkins and Richard Sibbes as well as the mature thought of later Puritan divines, supremely represented by Owen.
