The Bhagawan Uvacha series brings to devotees the world over, a compilation of Bhagawan Sri Sathya Sai Baba's teachings in the form of quotations, skilfully compiled and woven together by Shri. N. S. Venkatesh, the compiler.

In this book in the series, Do You Know?, Shri. Venkatesh says, "It is only when the inner meanings of various aspects relating to the divine are understood that worship can be offered to the Divine meaningfully. So says Bhagawan to His devotees in one of His addresses. Unfortunately, as only the superficial and worldly meanings of the scriptural texts are expounded these days, men's devotion is growing weaker continually. It is essential for everyone to understand the inner meaning of the vedantic texts. In this book, Bhagawan beautifully expounds the inner messages behind rituals we perform each day. It provides rare insight into Indian culture and tradition and to the little known aspects of our lives."
