Encyclopedia of Modern Jewish Culture

Encyclopedia of Modern Jewish Culture

The *Encyclopedia of Modern Jewish Culture* is an extensively updated revision of the very successful *Companion to Jewish Culture* published in 1989 and has now been updated throughout.

Experts from all over the world contribute entries ranging from 200 to 1000 words broadly, covering the humanities, arts, social sciences, sport and popular culture, and 5000-word essays contextualize the shorter entries, and provide overviews to aspects of culture in the Jewish world.

Ideal for student and general readers, the articles and biographies have been written by scholars and academics, musicians, artists and writers, and the book now contains up-to-date bibliographies, suggestions for further reading, comprehensive cross referencing, and a full index.

This is a resource, no student of Jewish history will want to go without.
