Eyewitnesses to the Indian Wars, 1865-1890: Vol.4

Eyewitnesses to the Indian Wars, 1865-1890: Vol.4

This is the fourth in a planned five-volume series that seeks to tell the saga of the military struggle for the American West, using the words of the soldiers, noncombatants, and Native Americans who shaped it. To paint as broad and colorful a picture as possible, riveting firsthand materials have been carefully selected from contemporaneous newspapers, magazines, and unpublished manuscripts. This volume offers as complete a selection of original accounts of the Northern Plains campaigns as can be assembled under one cover. Includes articles by such notable figures as George Custer, Philip Sheridan, Nelson A. Miles, and artist Frederic Remington. Covers the Powder River Expedition of 1865, the Yellowstone Expedition of 1873, Custer's Last Stand, Wounded Knee, and much more.
