Pele and Poliahu: A Tale of Fire and Ice Malia Collins

Long, long ago, on the Island of Hawaii, there lived two beautiful goddesses...

So begins the retelling of the classic Hawaiian legend--a tale of fire and ice--when Pele ventured off her fiery mountaintop to make mischief and challenge Poliahu to a sled race down the snowy slopes of Mauna Kea.

It is a story about the power of nature, the power of wills, the power of skill, and an explanation of why the Big Island, to this day, is an island of contrasts.

From reader reviews:

Olga Noone:

Reading a publication tends to be new life style in this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this Pele and Poliahu: A Tale of Fire and Ice.

Andrew Fogarty:
