Should I Stay or Should I Go: Guidelines and Strategies for Making This Life Changing Decision as Clearly, Positively, and Confidently as Possible David Steele

"Should I Stay or Should I Go" is one of the most common questions we get from our clients who are agonizing over their relationship, desperately wanting to make the right choice and wishing they had a crystal ball to foresee the consequences of their decision.

While we don't have the answer for your unique situation (and wouldn't believe anyone who said they did) this ebook provides a set of powerful tools, strategies and guidelines you can use to make this life-changing decision as clearly, positively, and confidently as possible.

Great effort has been made to present balanced, unbiased, objective information and decision-making strategies for the continuum of romantic love relationships including new and dating relationships, cohabitating (living together) relationships, pre-committed and pre-marital relationships, and marriage and other forms of committed relationships.

Bonus resources in this ebook include decision-making tools such as a Relationship Choice Questionnaire for pre-committed and pre-marital relationships, Dating Red Flags Checklist for singles and dating relationships, and much more.

If you or someone you care about is struggling with their relationship and trying to decide whether to stay or go, read this book first!
