The Dirt Lori Culwell

Lucy Whitley cannot wait to get out of Palm Desert. It's not a place for a frizzy-haired science nerd, particularly when her fashion-obsessed older sister Sloane is the head of a clique of pretty girls who rule the school — and practically the whole town. Fortunately, life is about to change forever. Lucy's dad is getting re-married, and then she can transfer to a boarding school in Connecticut, escaping all the mean girls and the endless whispers about the Whitley family scandal. Everything is going to be perfect — as long as the wedding goes smoothly.

This is a new release of an edition originally published by Booktrope.
