*Potty Training Boys the Easy Way* is a pediatrician's guide for navigating the challenges unique to toilet training boys. Boys tend to take longer to be trained, learn this skill at later ages, and have different challenges from girls. Parents will find an accessible plan for getting their son trained quickly, clever games to make learning to use the toilet fun, as well as important tips for handling accidents and setbacks.

The book includes advice on boy-specific problems, such as whether to teach him to sit or stand and how to aim, dealing with distractions, handling refusals, and staying dry through the night. Practical and reassuring, *Potty Training Boys the Easy Way* is packed with all the information a family needs to achieve this important milestone calmly and confidently.
