Psychophysics: The Fundamentals

George A. Gescheider

Psychophysics: The Fundamentals George A. Gescheider

This third edition of a classic text which was first published in 1976 is the only comprehensive, up-to-date presentation of psychophysics currently available. It has been used by undergraduate and graduate students, and scholars throughout the world and is consistently thought of as the best single source for learning the basic principles of psychophysics. The coverage of the field is comprehensive, including topics ranging from the classical methods of threshold measurement, to the modern methods of detection theory, to psychophysical scaling of sensation magnitude. The approach is one in which methods, theories, and applications are described for each experimental procedure.

New features found in this third edition include:

- * methodological and theoretical contributions made in the field during this time period,
- * descriptions of adaptive procedures for measuring thresholds, context effects in scaling, theory of quantal fluctuations, multidimensional scaling, nonmetric scaling of sensory differences, and the relationship between the size of the DL and the slope of the sensation magnitude function,
- * new methods for measuring the observer's sensitivity of criterion and an expanded discussion of category scaling including the range frequency model and verbally labeled categories, and
- * methods used to control the observer's nonlinear use of numbers in magnitude estimation such as line-length scaling, magnitude matching, master scaling, and category-ratio scaling.

From reader reviews:

Ruby Sprankle:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each reserve has different aim or goal; it means that guide has different type. Some people sense enjoy to spend their the perfect time to read a book. They are reading whatever they take because their hobby is reading a book. How about the person who don't like examining a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will want this Psychophysics: The Fundamentals.

Austin Barnes:

Now a day those who Living in the era exactly where everything reachable by interact with the internet and the resources inside can be true or not demand people to be aware of each info they get. How people have to be smart in acquiring any information nowadays? Of course the answer is reading a book. Examining a book can help individuals out of this uncertainty Information mainly this Psychophysics: The Fundamentals book because this book offers you rich data and knowledge. Of course the knowledge in this book hundred % guarantees there is no doubt in it as you know.

Charles Howell:

Beside this Psychophysics: The Fundamentals in your phone, it may give you a way to get more close to the new knowledge or details. The information and the knowledge you can got here is fresh from your oven so don't be worry if you feel like an previous people live in narrow town. It is good thing to have Psychophysics: The Fundamentals because this book offers for you readable information. Do you occasionally have book but you do not get what it's exactly about. Oh come on, that would not happen if you have this in the hand. The Enjoyable arrangement here cannot be questionable, including treasuring beautiful island. Techniques you still want to miss the item? Find this book and also read it from at this point!

Donna Willeford:

You can obtain this Psychophysics: The Fundamentals by visit the bookstore or Mall. Just simply viewing or reviewing it can to be your solve problem if you get difficulties on your knowledge. Kinds of this book are various. Not only by means of written or printed but additionally can you enjoy this book by simply e-book. In the modern era such as now, you just looking of your mobile phone and searching what their problem. Right now, choose your own ways to get more information about your book. It is most important to arrange yourself to make your knowledge are still up-date. Let's try to choose appropriate ways for you.
