## **Systematic Theology, Vol. 1: The Living God** Dr Thomas C Oden

Emphasizing the beliefs common to all branches of Christendom rather than the issues that divide, Thomas Oden brings the full weight of two millennia of discussion to bear on the ever-contemporary questions of Christian faith. His magisterial study not only treats the traditional elements of systematic theology, referencing hundreds of theologians Protestant, Catholic, Orthodox, charismatic but also highlights the foundational exegetes of history. Broadly ecumenical in the truest sense of the word, and written from the perspective of a theological liberal-turned-evangelical, Oden's direct, frank, and provocative approach articulates the concerns of a broad spectrum of Christians pastors, teachers, seminarians, and thoughtful laity. Though comprehensive in scope, the set is arranged in a Trinitarian fashion with each volume focusing on one person of the godhead. The first volume explores the Christian understanding of God, creation and providence. The second volume discusses Christ and the Incarnation. The third volume considers the presence of the Holy Spirit in history, and his power in the lives and communities of present day believers. Volume 1: "The Living God " [ISBN 9781598560374] Volume 2: "The Word of Life" [ISBN 9781598560381] Volume 3: "Life in the Spirit" [ISBN 9781598560398] These volumes may be purchased separately. Demonstrates a commitment of faithfulness to the scriptural teachings concerning Jesus and a rich appreciation for the classical and conciliar traditions of Christology. "Preaching" Oden's project is anti-trendiness with a vengeance . . . refreshingly bold. "First Things" The most impressive systematic exercise in ecumenical consensual thinking in print. "Religious Studies Review" A welcome addition to the pastor's bookshelf and a needed voice in the contemporary theological conversation. "Interpretation"
