The Arab Mind

Raphael Patai

The Arab Mind Raphael Patai

The classic study of Arab culture and society is now more relevant than ever. Since its original publication in 1983, the revised edition of Raphael Patai's *The Arab Mind* has been recognized as one of the seminal works in the field of Middle Eastern studies. This penetrating analysis unlocks the mysteries of Arab society to help us better understand a complex, proud and ancient culture. *The Arab Mind* discusses the upbringing of a typical Arab boy or girl, the intense concern with honor and courage, the Arabs' tendency toward extremes of behavior, and their ambivalent attitudes toward the West. Chapters are devoted to the influence of Islam, sexual mores, Arab language and Arab art, Bedouin values, Arab nationalism, and the pervasive influence of Westernization. With a new foreword by Norvell B. DeAtkine, Director of Middle East Studies at the JFK Special Warfare Center and School, Fort Bragg, N.C., this book unravels the complexities of Arab traditions and provides authentic revelations of Arab mind and character. A later printing, from 2007, contains a revised foreword by Norvell DeAtkine but is otherwise identical to this, 2002, edition.
