El Grande de Oriente (Spanish Edition) Benito Perez Galdos

El Grande Oriente es la cuarta entrega de la segunda serie de los Episodios Nacionales de Benito Pérez Galdós. Toma su título de la obediencia masónica llamada Grande Oriente Nacional de España. Fue publicada en 1876. En este episodio se narran los sucesos posteriores al fallido intento del cura Matías Vinuesa para restaurar el absolutismo y los conflictos en el Gobierno liberal (dirigido en parte por los masones), mientras los realistas, intentarán recuperar el poder. EL GRANDE ORIENTE recoge, en su título, el nombre de una activa sociedad secreta que intervino poderosamente en los acontecimientos que agitaron la vida política española en el «trienio constitucional» que fue de 1820 a 1823. En este periodo, dominado por una agitación política y social en la que siguieron encontrando caldo de cultivo los vicios ancestrales de la sociedad española, Salvador Monsalud continúa desgranando su azarosa trayectoria civil y sentimental.
