My *Ántonia* (Broadview Literary Texts)

Willa Cather

My *Ántonia* (Broadview Literary Texts) Willa Cather

Willa Cather's *My Ántonia* is considered one of the most significant American novels of the twentieth century. Set during the great migration west to settle the plains of the North American continent, the narrative follows *Ántonia* Shimerda, a pioneer who comes to Nebraska as a child and grows with the country, inspiring a childhood friend, Jim Burden, to write her life story. The novel is important both for its literary aesthetic and as a portrayal of important aspects of American social ideals and history, particularly the centrality of migration to American culture.

The Broadview edition includes a rich selection of primary source materials: the revised introduction for the 1926 edition; Cather's "Mesa Verde Wonderland is Easy to Reach..." "Nebraska: The End of the First Cycle," "Peter", and her comments on the novel; contemporary reviews and photographs.
