The Marriage Triangle: God's Geometry For a Healthy Marriage Stephen George

In the new book, "The Marriage Triangle: God's Geometry For a Healthy Marriage" Christian counselor Stephen George, shares a simple and unique formula for having a God-glorifying and great marriage. The Marriage Triangle is a simple geometric picture of the most significant relationship in our lives outside of our relationship with Christ. In the book, George writes, "No longer do we have to "work" on a marriage to make it better....we work on our relationship with Christ and allow Him to heal our hearts so we can love our spouse more purely." The Marriage Triangle allows every individual to "see" where their Triangle is and then move closer to God and thus enjoy a greater relationship with their spouse.
