Times to Try the Soul of Man Kenneth Weene

What do an overweight stripper, the CIA, corruption in New York City, the Israeli Mossad, ancient Inca civilization, terrorism, political intrigue, mad dashes across America, and a waste-case of a teenager have in common? They are the ingredients of this action-packed crime and coming-of-age novel. Much of this story is based on true events, perhaps too true to be believed. Guaranteed to make you think and probably to shudder as you relive 9/11.
